

Trademark registration in Clearinghouse (TMCH)

The Trademark Clearinghouse (TMCH) accepts registered trademarks from trademark holders, verifies those trademarks and inserts them in a trademark database. The registration of a mark in the TMCH is required to apply for a domain during Sunrise phases when a new generic top-level domain is launched.

Please use this form to submit a trademark to the Clearinghouse.

- ⇒ STEP 1: Complete this page and submit your application details (please ask us for help if required)
- ⇒ STEP 2: Sign the form and fax it to +31 847 303037 or email to domains@peweb.com
- ⇒ STEP 3: We will pre-validate your information and send you an invoice for payment.
- ⇒ STEP 4: Once we have received your payment, we will submit the trademark to the TMCH.

1. NAME OF THE MARK

⇒ Please insert the exact trademark wording as recorded in the applicable trademark register. Only registered trademarks (word marks or device marks) of at least national effect are eligible.

2. TRADEMARK DETAILS

Applicant is the mark **holder** **OR** Applicant is a mark **licensee** **OR** Applicant is a mark **assignee**

Registration Number: _____ **Registration Date:** _____

Please note that only applications with complete trademark information will be processed. Trademark details will be verified by the TMCH. In order to use the trademark to apply for a domain name during Sunrise, proof of use of the trademark must be documented. The TMCH may request additional documentary evidence for this trademark or proof of use during the validation process. If requested, such documents must be provided within 15 days of the request, or else the application may be declined without refund.

3. TRADEMARK HOLDER AND CONTACT DETAILS

⇒ Please insert data for at least the Trademark holder. If no Administrative contact is specified, the Trademark holder will receive administrative notices. If no Billing contact is specified, the Trademark holder will receive the invoice.

4. CLAIMS NOTICES

The Claims Notice service will notify the Trademark holder (or administrative contact, if specified above), whenever a third party tries to register a matching domain name within the first 90 days after launch of General Availability registrations in a new generic top-level domain. The service does not involve an additional charge.

⇒ Please opt in by checking the box below to indicate that you wish to receive Claims Notices for your trademark.

5. REGISTRATION PERIOD

FEE SCHEDULE	1 year registration	3 year registration	5 year registration
fees do not include 19% VAT	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
	EUR 201.11	EUR 534.41	EUR 867.51

The fees above cover the verification and, if successful, the registration of one (1) trademark in the Trademark Clearinghouse for the specified period. A registration includes eligibility for protection of up to 10 labels. A label is a string that is directly related to the registered trademark. For example, a US trademark on "ab & c" would include labels "abc", "ab-c", "ab-and-c" and "abandc".

6. SIGNATURE

I have received, read and understood the General Terms and Conditions of EPAG Domainservices GmbH before signing this agreement. These documents are part of this contract and can be downloaded from <http://www.epag.de>. By signing this agreement, I also agree that my personal data may be stored and used within EPAG and directly assigned companies. I understand that there will be no propagation of data to third parties unless delivery of services requires EPAG to do so. I am aware that all prices quoted **do not** include value added tax (VAT); as an EU customer, I will specify my VAT-ID to receive an invoice without VAT. I am aware that there will be no refunds on trademark applications.
